CAREER OBJECTIVE

I am passionate about becoming a software engineer and contributing to innovative projects. My goal is to leverage my technical skills and creativity to develop impactful software solutions that solve real world problems and enhance user experiences.

EDUCATIONAL QUALIFICATIONS

- Pursuing B.Tech in Computer Science and Engineering at GIFT Autonomous, Bhubaneswar affiliated to Biju Patnaik University of Technology with CGPA-7.23 and expected year of passing in 2026.
- Completed intermediate from Kalinga Institute for Industrial Technology (KIIT) under CHSE board, in the academic year 2022 with 74%.
- Completed Matriculation from Central Public School, Adityapur, Jamshedpur, in the academic year 2020 with 73%.

TECHNICAL SKILL

- Canva, VS Code
- Java
- HTML, CSS , JavaScript , ReactJS
- MySQL

ACHIEVEMENTS

- I have successfully completed my 12 week NPTEL course on DSA using Java, Cloud Computing and Introduction To Industry 4.0 And Industrial Internet Of Things .

SEMINARS & WORKSHOPS

- I have attended Robotics Workshop at GIFT Autonomous in 2023.

PROJECTS UNDERTAKEN

1. Expense Tracker, Java Internship at Q Spider (2023)

This application was built using Java, MySQL, NetBeans, and JDBC for seamless database connectivity. The Expense Tracker allows users to add, delete, and view their expenses while also calculating the total expenditure for a specific month or a custom date range. With its intuitive interface, the application ensures ease of use, making financial tracking simple and efficient. This project highlights my skills in Java programming and database integration, showcasing my ability to create practical, user-centered solutions.

2. E-commerce website–Technoboot Pvt. Ltd. (2024)

Created an E-Commerce website it is an online shopping platform using the MERN stack. Tech Stack: MERN (MongoDB, Express.js, React, Node.js) Features: User can buy any types of clothes and compare the price also see the review which is given by other customers . User Profiles: Enables users to create accounts, save favorite their clothes and add them in cart.

STRENGTHS

- Adaptability
- Team Player

HOBBIES

- Music Production
- Badminton
